Homebound

2020-21 School Year Theme:

This year's school theme is Unlikely Heroes and focuses on the Judges 6:12 verse. Throughout this school year's chapel times, our presenters will take a look at different heroes from the Bible. As we do this, I think you will be surprised to see that we, God's people today, share many of the same strengths and weaknesses that these Biblical heroes had. God is not in the business of picking the strongest or most powerful leaders to do His work. He uses us as His tools, His heroes to spread the Good News of Jesus to others. It is with His strength and His encouragement that Moses led the people of Israel, that David defeated Goliath, that a former Christian prosecutor named Saul would be converted into a great Christian missionary named Paul. He can do the same with each of us. All we need to do is allow Him to enter in our lives and take control. It will be great to learn more about His heroes in the Bible this year and to learn how we too can become a "Unlikely Hero".

CoVID Update for masks: All children and adults over the age of 5 are required to wear masks over their nose and mouths while inside the school building.

Per the Marathon County Health Department, community spread of CoVID 19 is very high and increasing in Marathon County. Many of the symptoms are the same as for the common cold. We will follow a checklist when deciding when to send children or staff home with an illness or to stay home with an illness. Please note, when a person has 2 or more of the symptoms on the checklist they are required to isolate at home for 10 days or have a negative CoVID test in order to return to school before the 10 days of isolation. We have attached a copy of the checklist. **We have also instituted the sibling exclusion policy. Any sibling of a sick child whether in day school or childcare will need to stay home as well.**

STEM scouts for the 2020-21 school year has been cancelled: due to little interest and safety concerns surrounding CoVID. This program will resume next year.

In person learning: will resume on Monday, November 2.

Parent teacher conferences will be scheduled by each individual teacher November 9-12. Please look for communication from your child's teacher.

Friday, November 13 will be a teacher in-service day. Children will be off school. Please plan accordingly as this day off was not originally on the school calendar.

Wednesday, November 18: is Lifetouch picture re-take day.
