Homebound

2020-21 School Year Theme:

This year's school theme is Unlikely Heroes and focuses on the Judges 6:12 verse. Throughout this school year's chapel times, our presenters will take a look at different heroes from the Bible. As we do this, I think you will be surprised to see that we, God's people today, share many of the same strengths and weaknesses that these Biblical heroes had. God is not in the business of picking the strongest or most powerful leaders to do His work. He uses us as His tools, His heroes to spread the Good News of Jesus to others. It is with His strength and His encouragement that Moses led the people of Israel, that David defeated Goliath, that a former Christian prosecutor named Saul would be converted into a great Christian missionary named Paul. He can do the same with each of us. All we need to do is allow Him to enter in our lives and take control. It will be great to learn more about His heroes in the Bible this year and to learn how we too can become a "Unlikely Hero".

Winter is here! Students need their snow gear for outside recess. We go out if the wind chill temperature is above 10 degrees and there is NO precipitation. Otherwise, we have indoor recess in the gym. School Closings: If the weather outside is looking bad for travel, please follow the local news sources to listen for closings or delays to the school day. These announcements can be seen on Channels 7 and 9 on the TV and can be heard over local radio stations. We will also send an email and update our Facebook page. **If Wausau School District (public schools) are virtual, Trinity will have a snow day.**

Trinity’s Family Resource Page

Trinity would like to offer more resources to our families. Each month new articles and video links will be listed here. Our goal is to provide easy access to information about topics such as parenting, children, school and faith. Hopefully, you will find a helpful nugget or two. Trinity does not adhere to any one philosophy or viewpoint besides that of God and His Word. We are simply making resources available to you to be used at your discretion.

“Social & Emotional Skills: What to Expect at Different Ages” is an article by Understood that lists milestones that you can expect kids to meet around roughly the same age.
