

# CHILDCARE NEWSLETTER

July 2020

Hello summer! It will be a summer of creative vacations or staycations and doing projects around the house. Due to Coronavirus, we are still living in times of social distancing, mask wearing and extra cleaning. One thing for certain is that the Lord has not changed and He has plans for us. As it says in Jeremiah 29:11 For I know the plans I have for you, declares the Lord," plans to prosper you and not to harm you, plans to give you hope and a future. And in 1 Thessalonians 5:16-18 Be joyful always; pray continually; give thanks in all circumstances, for this is God's will for you in Christ Jesus.

The children have been having fun with their friends in their class. Even though we cannot do all the different activities out in the community as in summers past, the teachers are doing a wonderful job being creative with doing things at Trinity. Some activities in July will be a sprinkler/water fun day, go on a bug hunt, do science experiments and cooking. Some classes will go out into the community for a walk, find different flowers, and look for animals. We do all these things along with the most important, learning about the love of Jesus. We learn this through bible stories, songs and how we play and talk with our friends.

If you are seeing a new teacher in the childcare classroom, this is Ms. Yvonne. She is our new assistant teacher in the childcare. She will be floating among all the classroom. Please welcome her when you see her.

At that time the disciples came to Jesus and asked, "Who is the greatest in the kingdom of heaven?" He called a little child and had him stand among them. And he said: "I tell you the truth, unless you change and become like little children, you will never enter the kingdom of heaven. Matthew 18:1-3

Miss Michaela on July 22<sup>nd</sup> and Ms. Penny on July 25<sup>th</sup>, enjoy your special day!

## Summertime Activity Ideas:

- Paint a fence with water and a paint brush
- Instead of a water balloon fight use sponges and a bucket of water
- Freeze toys in water and have the children dig them out of the ice on a hot day
- Paint rocks and hide them around your neighborhood
- Flyswatter painting
- Set up a car wash for bikes and trikes
- Pom pom water play-add pom poms to water table, can add ice cubes to help cool off
- Paint with different items than a paint brush, such as cars, toy animals, toothbrush, shower poufy, sponges on a clothespin
- Read a book outside in nature

## CALENDAR:

July 2<sup>nd</sup> Have your child wear red, white and blue for our 4<sup>th</sup> of July Celebration!  
Friday, July 3<sup>rd</sup> the childcare will be CLOSED in observance of Independence Day.  
July 17<sup>th</sup> Ice Cream Party in each classroom.
