

CHILDCARE NEWSLETTER

October 2020

Fall is in full color in all of its glory. Pumpkins, apples, squash and mums-all the beauties of fall. Praise be to God for all He has done and for all He continues to do for us daily. Let His light shine in the darkness.

Free hot lunch is available for all Trinity students including childcare children. This has become available from the USDA and the Food and Nutrition Service. Those that purchased hot lunch from August 31st until this free program went into effect will be reimbursed on their hot lunch accounts. See flyer for more details in your child's classroom or in front of the childcare office.

Miss Eliza on October 23rd, enjoy your special day!

Trinity Childcare strives to provide high quality care in a Christian environment for your children. We want to have qualified staff and fairly compensate our childcare teachers for their hard work and dedication. To accomplish this, the Childcare Sub-Committee has voted to raise childcare tuition effective January 4, 2021. Attached to this email is a letter with more details regarding this increase.

For you were once darkness, but now you are light in the Lord. Live as children of light. Ephesians 5:8

In the same way, let your light shine before men, that they may see your good deeds and praise your Father in heaven. Matthew 5:16

Your word is a lamp to my feet and a light for my path. Psalm 119:105

The Trinity Childcare and Trinity School are following the same illness policy. Please refer to the health screening checklist if your child is showing symptoms of an illness. The checklist will give you guidelines on when your child must stay home. The Health Department has recommended we follow the sibling exclusion policy. If your child falls under needing to stay home per the health screening checklist, then all children in that family will need to stay home also. I have included these lists as attachments on this email. We ask for your patience and grace as we work together to keep all children and staff at Trinity safe and healthy.
