

CHILDCARE NEWSLETTER

September 2020

Trees are starting to change colors and leaves are falling. Time for the changing of the season. It is hard to believe the summer is at an end and fall is coming upon us.

The most recent recommendations pertaining to protecting children and staff from COVID-19 have been posted and are attached. These recommendations are the same for the childcare and school. They come from the Wisconsin Department of Health Services and the Division of Public Health. Please follow the health screening checklist for when to keep your child at home. We all need to work together to keep everyone healthy. I know it is not easy if you need to keep your child out of care for the 10 days if they fall under having symptoms. We are living in a different time related to health concerns. We ask for your patience and grace during these difficult and ever changing times.

SCRIP is fundraising while you shop! It is a program where a percentage goes directly to the ministries at Trinity. Another percentage goes directly to you. You can apply your percentage to your childcare tuition or another ministry at Trinity. Find out more information on the Trinity website under the welcome tab or stop in the church office for more details.

Miss Amanda on Sept. 10th, enjoy your special day!

The grass withers and the flowers fall, but the word of our God stands forever. Isaiah 40:8

Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up. Galatians 6:9

Whatever you do, work at it with all your heart, as working for the Lord, not for men, since you know that you will receive an inheritance from the Lord as a reward. It is the Lord Christ you are serving. Colossians 4:23-24
