

SCRIP

Cash Help

For Tuition or For the Ministries of Trinity Lutheran Church

Use the SCRIP program and earn cash rebates that can be used for Tuition or to help support the ministries of Trinity Lutheran Church.

+++++

What is the SCRIP program?

SCRIP is a ministry program of Trinity Lutheran Church which enables you to earn rebates on your everyday purchases of food, clothing, gas and other household expenses. The rebates are earned when you purchase gift cards that you use to pay for your household expenses. You are able to purchase gift cards for shopping at many local grocery, department and retail stores and each of the retailers offers a discount from 2%-10% or more in some cases when you utilize their gift cards. Your rebates accumulate and are distributed based on your direction less a 10% administrative fee that Trinity keeps for managing the program.

How much can I receive in SCRIP rebates?

There isn't any monetary limit. Some families have earned **several hundred dollars** each quarter through their use of the program. Also, **family and friends can help** with the tuition of others by designating that their rebates be applied towards the tuition of a specific family.

How do you receive the SCRIP rebates?

Currently we "distribute" the rebates on a quarterly basis. Users of the SCRIP program have complete control over how they receive their rebates. Options include having the rebate applied to child care or day school tuition, directing that it be a charitable contribution to Trinity Lutheran Church, gifting it to the Education Grant Fund, another area of ministry or receiving a check. You direct how the rebates are handled by filling out a SCRIP Agreement form.

How do I use the SCRIP Program?

Start by filling out a SCRIP Agreement form. Then begin purchasing SCRIP gift cards. These are available at the church reception desk or church office every day during normal church office hours. They are also sold at the church reception desk between services on Sunday morning and after the 5:00 pm Saturday evening service. You may also order SCRIP gift cards online and pick them up at Trinity. Go to www.shopwithscrip.com and look for the place on their home page that lets you establish a family account. You will be asked to join or associate your profile with a non-profit organization. The code to enter for Trinity Lutheran Church is **2BE6385E86L**. If you use this feature, you will be able to order online and pick up your SCRIP Gift Cards at Trinity.
