

CHILDCARE NEWSLETTER

June 2021

We made it through the school year. Wow, it has been an interesting year! Thank you for your patience and perseverance as we navigated through this pandemic. We have made some advancements back to the way things used to be, although we still have a ways to go. Your children have been amazing through it all. One thing never changes and that is sharing the love of Jesus with your children. 1 John 3:18 says, "Dear children, let us not love with words or tongue but with actions and in truth."

Cold lunch is required for the summer, as there is no hot lunch program available. Please have a labeled lunch box along with any needed utensils and a drink.

With the change of seasons, we ask you to change out the extra clothes for your child. We request at least 2-3 full sets of extra clothes including shoes.

Now that summer is here, it is sandal season. Please have your child wear sandals that have a back strap on them. You can bring a pair of tennis shoes for them to change into if needed. If the class is going for a walk, we request that they wear tennis shoes. Tennis shoes are less of a tripping hazard for young children to wear. Sometimes sandals, especially new sandals can hurt children's feet.

"For the Lord God is a sun and shield; The Lord will give grace and glory; No good thing will He withhold from those who walk uprightly."

Psalm 84:11

"From the rising of the sun to the place where it sets, the name of the Lord is to be praised."

Psalm 113:3

Trinity water play days will be on campus this summer. Please have towels labeled with your child's name, water shoes, swim suit/trunks, and a bag to send wet swimwear home in. Please check your child's classroom calendar for their scheduled water day.
